Monte Carlo Yachts 86ft

Some yachts are built; the Superyacht 86ft was composed: By Monte Carlo Yachts, the Italian shipyard that has collected international awards for both style and its pioneering construction process. Step aboard and the numbers stop mattering: the guest areas, ceiling heights and panoramic views read like a 100-footer that simply parks more elegantly.

The interiors are the good kind of showing off — the finest of Made in Italy and Made in France, sophisticated materials, harmonious lines, and that regal calm that no amount of chrome can imitate. This is a yacht where "form follows function" and "function follows form" negotiated a truce, and everyone on board wins.

Cruise her through Phang Nga Bay, anchor off Phi Phi, or simply let the Andaman Sea provide the backdrop her designers clearly had in mind. A private charter aboard the MCY 86 isn't a boat trip — it's the Riviera, relocated.
